

Utah State Board of Education

2025 Student Data & Privacy Course - Logging In

Step 1: Log in to the USBE Canvas <https://usbe.instructure.com/login/canvas>

This is different from your school or university version of Canvas.

The screenshot shows the login page for the Utah State Board of Education's Canvas LMS. It features a dark blue header with the USBE logo. Below the header is a white login form with fields for 'Email' and 'Password'. There is a checkbox for 'Stay signed in' and a link for 'Forgot Password?'. The 'Log In' button is circled in red. At the bottom, there are links for 'Help', 'Privacy Policy', 'Cookie Notice', and 'Acceptable Use Policy', as well as social media links for 'Facebook' and 'X.com'. The Instructure logo is also present.

If you **forgot your password**, enter your email and click “Forgot Password.”

This screenshot is similar to the previous one but highlights the 'Forgot Password?' link. A large red arrow points from the top right towards the link, which is circled in red. The 'Log In' button is also visible.

Step 2: Enroll in 2025 Student & Data Privacy Course

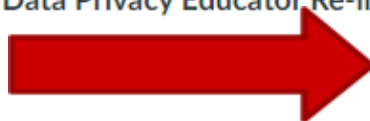

Go to <https://usbe.instructure.com/enroll/NEEKKA> and click on the “Enroll in Course” button.

The screenshot shows the top of the enrollment page. It has a light gray header with a hamburger menu icon on the left and the text 'Enroll in 2025 USBE Student Data Privacy Educator Re-licensure Course' in the center.
